## Program Goal & Objectives

Addressing hunger is an unfortunate reality in our community and the Fallbrook Food Pantry's goal is to help alleviate this issue, to the best of our abilities.

We will provide each individual in need with a minimum of 8-10 pounds of food, per person, every week.

- We provided 7,586 individuals with a total of 15 pounds per person, every week, this quarter, distributing more than 113,790 total pounds of food.

## Program Outcomes & Measurables

113,790 total pounds of food was distributed to 7,586 people. We track every individual's food allocation, weekly, and during the 3rd quarter of 2023, our data collection indicates that this trend will continue to rise along with the inflation. We anticipate at least an additional hundred new families will need our services in the first quarter of 2024.
