Program Goal & Objectives

Improve the mental health, overall well-being and quality of life for more residents of the district struggling with mental illness, addiction, socialization, and trauma, via safe and effective equine-assisted intervention with low barriers to entry.

1)

1) Serve at least 100 new residents in the district. Contract an effective licensed mental health professional or practice within the district for a minimum of 1 year, to expand the program to individuals and groups that do not have a staff professional and provide excellent care between July 1, 2023 – June 30, 2024.

1) 2) Provide a service at no cost to the participants that will address mental health challenges affecting our immediate community by initiating a scholarship program in partnership with FRHD covering the program cost of at least 5 youth cohorts (servicing between 40-50 individuals) between July 1, 2023- June 30, 2024.

Program Outcomes & Measurables

1)

1) REINS will hire a licensed mental health professional(s) and provide reporting on all hosted sessions. Participant surveys will include satisfaction ratings for experience with mental health professional(s). At least 80% of participants will self-report improvement after each 8-week session. 1A) REINS has one contract in negotiations.

1) 2) REINS will retain 5 new youth cohorts by collaborating with other youth-oriented organizations in the district. Scholarship paperwork will be required and data will be provided to FRHD. All participants and parents will receive surveys prior to the start of sessions and at the close of sessions. At least 80% of participants will self-report improvement after each 8-week session. 2A) One cohort contract was obtained, but has been delayed and is set to begin during quarter 2.
