Program Goal & Objectives

The program addresses specific physical and mental needs of cognitively or physically impaired seniors and adults through socialization, physical and mental enrichment activities, and movement exercises. To support and provide respite to our client's informal caregivers.

Program Outcomes & Measurables

The Adult Day Care program served 33 clients during this reporting period, providing a total of 606 days of service. Among these 33 clients, three low-income seniors were provided with a scholarship made possible by FRHD grant funding. Their attendance accounted for 33 of the 606 total days of service this quarter. By participating in our program, 33 families were able to take a break while their loved ones received care. During this cycle, three support sessions were provided through the Caregiver Support Group.

Scholarship Application for The Club

The Foundation for Senior Care is a nonprofit organization that seeks grants and donations to support our programs. Our grant funder, the Fallbrook Regional Health District, has asked that we gather data on those to whom we provide services. Without this information we may not be able to continue to offer services. Additionally, we may send out surveys about the client's health, wellness, and other lifestyle indicators. All data is combined and completely anonymous. Scholarships are only available to residents of Fallbrook, Bonsall, Rainbow & De Luz. Thank you for your understanding and for sharing this information with us.

FRHD 23-24 Q4 Grant Report

Impact Story

Doris recently joined our Adult Day Care Program. Thanks to the generous grant funding from FRHD, Doris received a scholarship, allowing her to participate in the program and receive the care and social interaction she desperately needed.

During this reporting period, our program served 33 clients, providing a total of 606 days of service. Doris, along with two other low-income seniors, benefited from the scholarships, which accounted for 33 of those days. This support enabled Doris to engage in activities, receive personalized care, and connect with peers, significantly improving her quality of life.

For her daughter, Lisa, the program offered essential respite. Knowing Doris was in a safe and nurturing environment, Lisa could balance her caregiving duties and personal responsibilities more effectively. She also found solace in our Caregiver Support Group, which held three support sessions this quarter, providing her with emotional support and practical advice.

Doris's story highlights the profound impact of our Adult Day Care program, made possible through FRHD grant funding. By offering comprehensive care and social interaction for seniors, and vital respite for caregivers, we enhance the well-being and quality of life for families in our community.
